Indoor Living 1572 sq ft

Outdoor Living 501 sq ft

This palatial corner home is a private oasis in the sky. Exemplifying the indoor and outdoor aesthetic, over a quarter of the total living area is comprised of the wrap-around terrace with southwestern exposure and views of Granville Island and English Bay. Nearly half of the home is designed as a dedicated wing for the master and second bedrooms, while the remaining space offers an open-concept living, dining, and kitchen area with a third guest bedroom complete with four-piece ensuite.
